MUA LTD - NOTES TO THE UNAUDITED CONDENSED FINANCIAL STATEMENTS - PERIOD ENDED 30 SEPTEMBER 2020

The Directors are pleased to present the unaudited condensed financial statements of the Group for the period ended 30 September 2020.

Basis of Accounting

The unaudited financial statements for the period ended 30 September 2020 have been prepared on the same basis as the accounting policies set out in the statutory financial statements of the Group for the year ended 31 December 2019, except for the adoption of relevant amendments to existing standards, new published standards and interpretations issued which are now effective. Where necessary, comparative figures have been amended to conform with change in presentation in the current year.

Review of the group's results

MUA Ltd's gross premiums earned grew by 15% from Rs 3,325m to Rs 3,818m, while net profit after tax amounted to Rs 203.6m compared to Rs 266.8m for the corresponding period in 2019. This decrease in net profit can be attributed to MUA Life Ltd's net loss of Rs51.4m for the 6 months ended 30 June as compared to net profits of Rs 100.8m for the same period last year. This was primarily due to the drop in bond yields and the sharp fall in equities as a result of the Covid-19 pandemic. MUA Life Ltd's gross premium grew by 16% to Rs989m for the 9 months while new business grew strongly by 29%. This will have a positive impact on our year end results. The next actuarial valuation will be done at year end as usual.

Basic earnings per share amounted to Rs 3.78 compared to Rs 5.10 for the same period last year. Diluted earnings per share amounted to Rs 3.76 (2019: Rs 5.08).

Net assets per share as at 30 September 2020 amounted to Rs 65.58 compared to Rs 62.97 as at 31 December 2019, an increase of 4%.

The Mauritius Union Assurance Cy. Ltd gross premiums earned grew by 3% to Rs. 1.7bn and net profit after tax increased from Rs 89m in 2019 to Rs. 191m for the 9 months. Despite the difficult financial environment, our business operations have demonstrated a good degree of resilience.

On 3 July 2020, MUA Ltd acquired Saham Kenya through its local subsidiary to consolidate its market share in Kenya, thereby contributing 18% to the total growth of 37% in gross premiums for the African subsidiaries. The Group incurred Rs24m of one-off transaction costs related to the Saham Kenya acquisition, excluding these costs, the net profit after tax of the East African Subsidiaries would have been Rs79.4m, an increase of 18% over last year.

The proposed rights issue of 5,010,000 new ordinary shares announced on 13 August 2020 was fully subscribed.
