

BALANCED LIFE INSURANCE FUND

Friday, 30 September 2022

INVESTMENT OBJECTIVE AND STRATEGY

The Fund seeks to achieve medium to long-term capital appreciation with a balanced-risk strategy. However policyholders can expect the value of their portfolio to go up and down in periods of volatility. It will provide policyholders with global exposure to a diversified portfolio of asset classes by investing in a mix of local equities, foreign assets, fixed income instruments, real estate and secured loans.
